Subject - Acquisition of properties for opening out a conservancy lane towards east behind the houses facing Maharajpet road in Davangere town

Sir,

In forwarding herewith declaration statements in duplicate in English and Kannada for the acquisition of the above properties I have the honor to state that in response to the preliminary notification published in the Mysore Gazette with Govemment order No I 7037 Ml 43-33-39 dated 26th March 1934 the owners of the properties in question filed an objection to the effect that they had a conservancy lane for their houses and that no fresh conservancy lane was necessary The President of the Town Municipal council, however reported that a conservancy lane as proposed is necessary to lead off the sullage wate of the houses of Maharajpet

The Sub Division Officer reports that the objections received in this case have been heard and that they are untenable and do not relate to the properties to be acquired

25/11/35

In the circumstances detailed above I request that sanction of Government may kindly be obtained for the acquisition of the properties referred to above and the declaration statements caused to be published in the Mysore Gazette, the Assistant Commissioner in charge of the Davangere Sub Division being authorised to take order for the acquisition

The cost of acquisition will be borne by the Davange Town Municipal Council
